

## Chairman's Newsletter No 6

### **Greensward Sale**

We have been advised by the Council Planning Department that the builders will be submitting plans but we are not aware if they have done this yet.

### **Afternoon Outdoor Bowls**

As you are all probably aware the usual Tuesday afternoon bowls league will not be happening this year. To utilise the green, to provide an alternative for those who cannot make Mondays and for anybody who just wants to try something different David Milton has come up with the following proposal.

### **Afternoon Outdoor Bowls**

#### **4-3-2-1 League**

We are examining the possibility of establishing a further competition for Tuesday afternoons. Concept: Triples over 11 ends.

Nearest wood scores 4 points, second wood scores 3 points, third wood scores 2 points, fourth wood scores 1 point.

As we grow older, full length jacks become a problem, so:

- mat will be placed within 6 feet of edge of green
- jack will be placed level with the minimum length marker

If you are interested in taking part then please put your name down on the sheet that David has placed on the notice board.

### **Maggie London**

Singing and a Disco Saturday 8th April

Tickets are still available for this evening. The cost is £10 per head and includes some food. Doreen & Jenny have the tickets and are ready & waiting to take your money.

### **Table Top Sale Saturday 11th March**

We have the Easter Table Top Sale coming up and Norman will be looking for helpers to set-up on the Friday and for the Sale on the Saturday. If you can help then please get in touch with Norman. Also if you have any items for sale then please bring them to the club house on the Friday afternoon.

### **Tuesday Night Carpet Bowls League**

This year's winners are the Oddballs captained by Dave Jones senior. They nearly went through the season unbeaten only losing their last game to the league runners up the Young Ones, who were last year's winners.

### **Promote/Publicise the Club**

Work has been progressing well on this and the design for a flyer/leaflet and a poster to advertise and promote the club has been agreed. Thanks to Mick Etridge for all his hard work on this. We now have to finalise the areas where we will be placing the posters and finalise the plans for distributing the flyer/leaflet.

That's all for now.

John
