MIXED FRIENDLY MATCHES

Captain: Ray Johannessen

Jan 2019

My Fellow Bowlers

Another season of friendly matches will soon be upon us, with the first one to be played on Saturday 27th April away to Chelmsford Bowling Club.

My plan is to display each event on the Captain's board and the web site at least 2 weeks before the match, this should allow time for you all to peruse the details and, hopefully, put your name on the limited list. Please do not be put off by the list being full, as any extra volunteers will be selectable to replace any possible drop-outs. I also intend to display a list of all the matches prior to commencement of the season, so that you will be able to plan ahead, and decide which matches you would be prepared to play in.

If you were one of the members who kindly put their name down for these games last season, I am hoping that you will also find the willingness to use your valuable time in supporting the club this season. If you haven't played for the club externally, you will find it very enjoyable and an excellent social day, and you will be more than welcome.

Transport can be arranged for those who do not have a method of getting to the various venues.
